Hi Shirin and Dave,

I took a shot at drafting a response to comments for the Oregon infrastructure action. I inserted comments in the draft to highlight areas that need attention. I know the draft will need significant input from both of you!

Please let me know what revisions you would like to make to the attached draft final FR notice by May 20<sup>th</sup>. Please let me know if two weeks is not sufficient time to review.

If you'd like me to set up a meeting amongst us to discuss the response to comments, I am happy to do that!

Thank you in advance for your time,

Kristin
